

## PERFINS ON KGV SILVER JUBILEE STAMPS

George Greenhill

Although I keep bidding for the Silver Jubilee stamps which appear in the auction, I am always outbid. However, no one ever reports these issues to me for inclusion in the booklet. There must be quite a number of new dies, or values, on the Silver Jubilee stamps in the collection of members. The following new details are from Rosemary Smith.

### New Value

L5600.02      LU/&R      ½d
